

2023 NATIONAL SPECIALTY SHOW TROPHY FUND DONATIONS

The 2023 PCA National Specialty Show will soon be upon us and, as you know, the PCA Trophy Fund is the sole resource which provides the financial support to make the award of trophies, medallions and cash prizes, for our winners, possible. This is all possible due to your past, and continuing, generosity; thank you! So let's continue to work together to make 2023 even better.

Please note we are continuing with a feature on our website which will make your pledging easier and more valuable. We have made it easier to make a Trophy Fund Donation **online using your credit card** (see instructions below). By paying using your credit card, our Trophy Fund administration is greatly reduced, so please consider using this feature. If you prefer, however, we will always welcome your cash donations paid via check.

In order to include your name as a donor in the 2023 Show Catalog, your donation must reach me no later than **March 1, 2023**. Please go online at www.poodleclubofamerica.org to make your 2023 Trophy Fund Donation, or complete the Donation Coupon below and mail it with your check, made payable to the **Poodle Club of America, Inc.**, to:

**Patti Jason, National Trophy Donation Chairperson
6660 Warner Road, Saline, MI 48176**
