

POODLE CLUB OF AMERICA IS PLEASED TO ANNOUNCE:
“BREEDERS’ ROUNDTABLE DISCUSSION”

Tuesday, April 25, 2023 from 2:00-4:30 p.m. in the Founder’s Room at Purina Farms, Gray Summit, MO in conjunction with our 90th National Show

The Poodle Breeder panelists are:

Linda Campbell (Dawin)
Kaz Hosaka (Surrey)
Camille Lashley (Lyca)
Toshi Omar (Smash)
Janet Reed (Foxmore)

Our special guest: Bill McFadden (Wire Fox Terriers)

These are some of our most accomplished breeders who have had a definite influence on our breed. Mr. McFadden is a well-known professional handler and breeder, with an appreciable poodle background.

The roundtable will be informal and consist of pre-submitted questions to be answered by the panelists. Topics may include establishing a breeding program, creating a family of dogs, pros and cons of frozen semen, utilizing the stud dog and brood bitch, breeding internationally or anything else breeder oriented.

From long time breeders to rank novices, everyone is sure to enjoy and learn from the “back and forth”! All are invited to attend at no charge.

Breeding questions for the panel may be sent to Randy Garren (k9pro@aol.com) or handed in at the door.
